Dear Ken:

John McMahon asked me to follow-up with you as a result of the discussions at the SIG(I) meeting yesterday, and offer to come over and brief you personally on some of the sensitive activities that we have going on which relate to collection and strategic systems.

25X1

I will be away from 14 - 27 January, but would be glad to brief you either later this week or after I return as you desire. Because of the sensitive nature of these programs, I recommend that it be done one-on-one.

25X1

Very sincerely,
